Basic / Standard Plus - THE ULTIMATE DEAL

\$198 per year

Want to have your own domain name - www.yourcompany.com.au with e-mail facility pointed to your One page business profile?

Includes: • Basic / Standard Listing with detailed One page business profile web page with photos and Search Engine Optimization
• Your own personal www.yourcompany.com.au domain name (subject to availability)
• Your own E-mail facility for name@yourcompany.com.au

This is ideal for the business who doesn't have their own webpage and wants to utilise their One page business profile. It also makes it easier to have your www.yourcompany.com.au on a business card!

Alternatively, businesses with an existing business domain name could utilise - for example www.weddingsyourcompany.com.au (subject to availability)

Add on : Profiled Listing (per category)

\$33 per year

You can include a 2-3 line short description highlighting your business or service (up to 250 characters, including spaces - with any of the above offers.

Ultimately this will generate more interest and provoke a greater click through to your business information / website.
